

SUNFLOWER

 swiss association

CHARTER OF THE ASSOCIATION SUNFLOWER

1. MISSION:

Sunflower is a Swiss non-profit association, independent of any political, ideological and confessional organization, which commits to carry out its activity to support charitable projects mainly in these directions:

A. Help for Ukrainian children in Switzerland and Ukraine

- Help and support for children with disabilities
- Help for orphans
- Help and support for children from disadvantaged families
- Help and support for children from single-parent families

B. Medical and paramedical help in Switzerland and in Ukraine

- Support, organization and coordination of medical and paramedical projects for children and adults (hospitalization, treatment, specialized care, re-education, rehabilitation, etc.)

C. Various social projects in Switzerland and in Ukraine

- Assistance with integration and socialization, coaching, psycho-social support etc.)

2. VISION:

The actions of the Association Sunflower aim to enable each member of the Association to carry out its missions of support and assistance to the Ukrainian people.

3. THE VALUES WE SHARE:

✓ **RESPECT**

We show respect and openness towards each other. We respect the commitment of each member regardless of their nationality, religion, age, gender, country of origin or domicile. We ensure mutual respect between the members of the Association as well as towards all the people with whom we interact.

✓ **DIGNITY**

We ensure respect for the intrinsic dignity of each member of the Association.

-
- ✓ **CONFIDENTIALITY**
We respect confidentiality in the processing of personal information and do not disclose it under any circumstances without the consent of the person.
 - ✓ **COLLABORATION**
Trust and dialogue form the basis of our collaboration. We value open communication. There is no "official" language within the Association and communication can be done in any language that allows information to flow. The diversity of experiences, life skills and know-how of each member is an asset for the Association.
 - ✓ **COOPERATION**
We collaborate with public and private organizations, institutions and individuals by creating synergies based on mutual trust, common values and solidarity commitment to the causes defended by the Association Sunflower.
 - ✓ **EMPATHY**
We are empathetic and attentively listen to anyone who contacts the Association Sunflower.
 - ✓ **BENEVOLENCE**
Each member of the Association Sunflower is invited not to judge the others or the proposed ideas. We carefully monitor the climate of benevolence between all the members of the Association.
 - ✓ **TRUST**
We strive to build a relationship of mutual trust between the members of the Association who can freely share their knowledge and opinions, and who trust others. We make sure to preserve this climate of trust for the benefit of non-violent and perfectly neutral communication.
 - ✓ **TRANSPARENCY**
We pay particular attention to the transparency of communication between all the members of the Association and encourage people to freely express their opinion.
 - ✓ **RESPONSIBILITY**
We are accountable to other organizations, to our members, to our donors and the people we serve to.
 - ✓ **HONESTY AND RELIABILITY**
The members of the Association engage to carry out their commitment with reliability. Members are frowned upon to establish direct links with potential partners without prior discussion with the President and the Board.
